Let's go with Kaloma then. Thanks very much for hunting!

Yes, the [REDACTED] deal team had been waiting for him since the prior Thursday, and he was scheduled to return the following Tuesday... It's how bad things have been. The deal is expected to sign this coming week or the following.

On paper none but I am emailing some people to confirm. Staffing has been painfully thin!

I think that with the proper amount of supervision he can do a good job, but needs to be supervised. Laura has worked with him lately.

Hi Dan. The only 2nd year I can offer today/foreseeable future is Kaloma Cardwell. He has 50 percent. Would that work? There's no strong 1st year available... Sorry!

Carolina,

I need some additional staffing to help out Cheryl on a [REDACTED] deal. Brian Wolfe is out next week and I will be covering for him on it. Cheryl currently has Andrew Heather to help, but I think she might need some more as the deal is going to be very fast moving with many documents to draft and review. Is there a good second year or great first year with some capacity to help?

Thanks,

Daniel
